Work in Question

Type of work [ ] Lab Report [ ] Master's Thesis

Title of work _____

Supervisor _____

Overview of Tools Used

Please list **all** AI tools you have used in your work and complete the table below as follows:

1. **AI Tool:** Indicate the name of the AI tool used (e.g., ChatGPT 5.0, DeepL)
2. **Purpose of Use:** Describe how you used the tool (e.g. creation of an outline, translation into English)
3. **Comments (optional):** Add additional information if necessary (e.g., "used as inspiration for final outline", "corrected by a native speaker")

Important: All AI tools used must be listed, regardless of the extent of their use. This ensures that the use of AI tools is fully documented in line with the principles of good academic practice.

AI Tool	Purpose of Use	Comments (optional)

Student Declaration

I hereby declare that:

- I assume full responsibility for the scholarly quality and content of the submitted work, the chosen methodology, the production process, and the cited literature
- I confirm that the work was prepared in compliance with the principles of good academic practice (see guidelines on good academic practice)
- I confirm that the use of AI tools was agreed upon in advance with the instructor or reviewer and that the agreed upon ruled were followed.
